

IMPORTANT NOTICE REGARDING CORONAVIRUS / COVID-19

Beaverstown Golf Club has a duty of care to all of members and wants to play its part in measures being currently taken nationwide to try limit the spread of Covid-19.

If you or any of your family have travelled to/from affected regions and display any symptoms such as cough, shortness of breath, breathing difficulties or fever please self-isolate and phone your GP immediately.

If you fall into the category outlined above we would respectfully ask that you **postpone visiting the club** during this period.

If, however, you are well we wish to inform you that the club will remain open to members for normal club activities.

Anyone who (or whose family members) have travelled to/from the affected regions and have no symptoms should nonetheless make themselves aware of HSE advice:

<https://www2.hse.ie/conditions/coronavirus/coronavirus.html>

The most important action we can take to protect ourselves from Covid-19 is regular **hand-washing** and **good respiratory hygiene**.

As you are also aware all gatherings of over 100 people have been banned until the 29th. March. Please also read the GUI/ILGU notification which has been sent out to all members.

The MC will continue to monitor the situation as it develops and will be in touch with members as appropriate.

The Management Committee.
